2019.03.08 08:58:47	General	A148404	NONE	RIP, NRD March 12, 2019 @ 8:30am **Please note - client reports in person every 4 days as per his condition. Additionally, it should be noted that Patrick FOX may attempt to record all interactions with Corrections Staff. Please contact PCM for further information Patrick FOX was informed that he will be seeing a DO at his NRD as his PCM will not be available. Please reschedule him back for Friday morning at 8:30am. Please be aware that Patrick FOX may ask numerous questions probing for information about his charges, the Courts, Community Corrections policies/processes; please refer him to speaking to his PCM at his NRD.** Check in: Client continues to reside at the Yukon Shelter. Client continues to not be very talkative and reports no other issues or concerns with his conditions. Patrick did report that he "might be getting deported within the next month" by the CBSA. I asked if he had any contact information for an investigator that he might have been talking to at the CBSA, but Patrick stated he did not want to provide this information. PCM may need to f/u with the CBSA to determine where this information is coming from (if it is true). Review: No questions. Intervention: Focus was on housing/shelters. Client states that he will also be going back to Court again regarding his Probation Conditions. Round-up: To continue to build rapport and monitor conditions.

2019.03.19 09:33:37	Collateral Summary	A151239	NONE	Client appeared to be willing to share information about his motivations and goals behind his offence. PCM may be able to build further rapport and discuss this attitude further. Client continued to check the secure room door as he thought PCM may have called the RCMP to arrest him. PCM advised he would not do that and would be upfront with the client, should the RCMP want to apprehend him.
