V2 [REDACTED] Cst.

Hawkins/Cst. Brown had seized FOX's BCDL during the arrest on April 4, 2019. Cst. Hawkins advised that FOX's BCDL was placed in his effects which were transferred to the custody of the Sheriffs who transported FOX to court on April 5, 2019. V2 [REDACTED]

[REDACTED] Cst. Hawkins advised that it had been emailed to Cst. Hawkins on April 3, 2019, by ICE Officer Shields who was advising that FOX would be transported to the Peace Arch Border Crossing the following day. V2 [REDACTED]

"When we received FOX's BCDL from the US authorities at the time when we took custody of him at the border (April 4, 2019), his BCDL was placed in his effects and transported by us to Burnaby Cells, put in his effects, and sent with him the following morning with the Sheriffs for court. Both Cst. Brown and I used FOX's BCDL for data entry on the prisoner booking system and for the fingerprint system. Myself and Cst. Brown both viewed FOX's actual BCDL at this time. This BCDL was a duplicate that FOX had obtained on March 29, 2016, expiring November 24, 2020. It's unclear as to why he obtained a duplicate of his BCDL."

Would you be able to send me Rod O'Dell's email address? I've called several times and left voicemails for him but no callback. It may be easier to email him.

Thanks,

Great. I've tried calling the NWDC and it's very difficult to actually speak to anyone. When I look up FOX/REISS on the detainee locator (ice.gov/locator) it has no record of FOX/REISS being a detainee in the system. Any thoughts?

Did FOX himself make the claim of credible fear or was it your officers who believed that he presented a credible fear to cause injury to his ex wife?

No worries! For the video footage and report request you can contact Rod O'Dell at V1. Reiss/Fox crossed at the Peace Arch crossing and he was also transported from that location. I do not have a contact at the NWDC, but here are the numbers:

Ginnefer,

Thanks very much for your time this morning. I have a few more questions/requests concerning FOX's attempted crossing:

- 1) Is there an official report request form that we can fill out to obtain this information in a more official capacity? This information will be used to substantiate 3 or 4 breach of probation charges that we will be forwarding once FOX has been extradited back to Canada.
- 2) How can we request a copy of the CCTV of FOX attempting to enter the USA on March 15, 2019?
- 3) What crossing did he actually go through, ie. Peace Arch or Pacific Crossing?
- 4) Do you have a contact name or phone number for the North West Detention Centre in Tacoma where FOX is currently being held?

Thanks again,

Good Afternoon,

I think it would be most efficient to pursue this information from the arresting Agency which is Customs and Border Protection. My Agency only handled the removal portion of this case. ICE/ERO house and removes subjects who were originally arrested by other agencies. If you contact the Port Director for Customs and Border Protection they will be able to accommodate your requests. If you have trouble getting in touch with the Officers at the Port of Entry I will see if I can help you contact them.

. Can you provide me with a certified true copy of the original, preferably with a stamp of authenticity for this report which has a higher resolution (coloured preferred) photograph?

Also, we have several additional questions relating to the report.

- 1) Did Officer OBRIST take the photograph of FOX/RIESS? And what about the fingerprints?
- 2) When I emailed you about obtaining the report, for sourcing purposes, what steps did you take to obtain it?
- 3) Who vetted the report? We don't have any concerns what was vetted in the report, but who actually conducted the vetting?

The information that you provide me will be used as evidence in court, V2

Thanks again for all your help with this file. My cell number is V1 if you need to call for anything.

No problem. FYI his warrant is BC radius, not technically Canada Wide. Doesn't change anything though.

One last thing..... (for now hopefully) in the official report you sent me, what is the nature of the vetted section at the bottom of page 2 - top of page 3? I know that I was told by CBP that he claimed credible fear, but I don't specifically see credible fear in the report, or is that what is vetted?

Christopher,

Thanks for accepting our phone call today relating to the detention of Patrick FOX/Richard RIESS - 1973/11/24. In order to fully substantiate our breach charges which we will be forwarding to our Provincial Crown Counsel, we are requesting any official reports or documents that detail RIESS's arrest at Blaine Peach Arch Crossing on March 15, 2019 and subsequent detention at the North West Detention Centre in Tacoma.

He is currently bound by a Probation Order and is in breach of several conditions as a result of him being close to the US border and actually crossing into the US.

Hello Tyler:

Please send me a formal request on your agency's letterhead, per below. If you can broaden your request to say "information confirming Reiss/Fox entry into the U.S." or something like that, I can include arrival records that are not video that can confirm his border crossing. That will give us the opportunity to limit the amount of video that has to be processed for release which will greatly speed up getting our response to you. Also, non-video systems can also confirm his arrival and detention and do not require processing at the CBP lab in order to be released.

Rod,

Thanks for the reply, sorry for not responding back sooner. I would be looking for CCTV which shows RIESS/FOX arriving at the US pedestrian primary, specifically footage where his face can be somewhat identified. FOX has been back in Canada since April 4 and has been in custody since. His next court appearance for trial is August 12, and V2 tasked me with obtaining more evidence to support that RIESS/FOX actually crossed the border and was in the United States. Anything to substantiate this would be ideal.

I will email you a scanned written request outlining what we would be looking for.

Additionally, would you be able to provide me the phone number and email address for Jeffrey OBRIST? He was the officer who dealt with RIESS/FOX in person.

Thanks,

Tyler

Hello Tyler:

Sorry to be slow in responding- I am just back in after out of office for the past two weeks.

CBP will need a written request from you on agency letterhead specifically listing what is requested; how the video will be used; and if the video will be shared with any entity outside your immediate operations.

Please limit your request as tightly as possible. Video releases have to be redacted to protect identity of CBP officers and members of the traveling public. Looking at the incident with Fox/Reiss, I suspect there is quite a lot of footage, from pedestrian primary to secondary and detention. If there is a lot of footage requested, it can be several months before our lab in San Francisco is able to process for release.

Rod,

My name is Tyler Hawkins and I work in the High Risk Offender Unit with Burnaby RCMP. I've been in contact with Officer Ginnefer Shaw via

phone and email relating to a Canadian Citizen who claimed credible fear at the Blaine Peach Arch pedestrian crossing on March 15, 2019 at 2019hrs. Officer Shaw provided me with the information that the male in question, Patrick Henry FOX, AKA Richard RIESS - 1973/11/24, had been taken into secondary inspection and then into custody. He was transported to NWDC at 0032hrs on March 16, 2019, arriving at 0308hrs.

I am submitting charges against FOX/RIESS as he has breached numerous conditions by not only being close to the US border, but by leaving the Province of BC, to name a few. Officer Shaw provided me with your name as someone who would be able to facilitate my request of obtaining CCTV of FOX/RIESS attempting to cross into the US.

Officer Christopher Shields provided me with a vetted copy of your report detailing your interaction with FOX/RIESS on March 15, 2019 at the Peace Arch crossing.

VIA COURIER DELIVERY

Mr. Patrick H. Fox
C/O
N.F.T.C.
1451 Kingsway Avenue
Port Coquitlam, BC
V3C 1S2

Dear Mr. Fox:

Re: *R. v. FOX, Patrick*
Court file: 244069-5-BC
Next Court Appearance: Trial commencing August 12, 2019

Please find enclosed copies of correspondence between the RCMP and the USA Border Patrol.

As well I have conducted advance interviews of the following persons: Cst. Hawkins, Probation Officer Bhimji, and Court Clerks Ragua and Dhinjal.

Below appears a synopsis of the salient information from the interviews. The synopses are based on my recollection and notes. Errors or omissions, if any, regarding information they related are mine alone. The witnesses have not reviewed the synopses.

Cst. Hopkins related nothing new during the advance interview; he brought with him additional supplemental materials --- email exchanges between himself and USA authorities and a transcript, which has been prepared for disclosure.

Probation Officer Bhimji, indicated that he relied on a Cornet photo to confirm identity when he first met with you. With this letter I enclose a copy of that Cornet page.

As well, Mr. Bhimji indicated that he was working in March 19th 2019 at the 275 E. Cordova Street Office, the day you were to next report, and he checked to see if your name was on a sign in log and it was not.

He confirmed to himself that you did not check in at 275 E. Cordova Street before he generated the Cornet log previously disclosed indicating that you failed to report as directed on March 19, 2019.

Ms Dhinjal indicated she satisfied herself at the time the Probation Order was reviewed that she had before her the correct person i.e. Patrick Henry Fox. She recognized her signature, notation, and initials. She could point out the court file number for both the Supreme Court action and the related Provincial Court action. She said her practice was always to read out the conditions to a probationer, so that he understands the conditions, after satisfying herself the correct person was before her, and then sign it. The date of the Order is the date she reviewed and signed the Order on behalf of A.C.J. Holmes. Her practice was to then make a copy of the signed Order and give it to Sheriffs for distribution to the Probationer.

Ms Raguz indicated she reviewed the Variation Order with the probationer the day after the Order was made, as he left the courthouse without signing the Variation Order the day of the Order; he returned the next day. This accounts for the entry, on one copy of the Variation Order, indicating "left without signing", and her signature and the probationer's signature on the other copy (the next day). She recalls the probationer coming in the next day. She only reviewed the Variation Order with the Probationer; this is her practice. She reviews it by reading the Conditions to the probationer so he understands the conditions. He then signed it and then she signed it. This is the sequence in which the signatures are placed on the Order. She will recognize the Probationer because of prior trips to the Registry to either file applications or to listen to DARS. When interacting with an individual familiar to her because of prior appearances at the Registry, she will still ask for a name and date of birth of that person to determine if they are consistent with the data on the Order and then she will begin the Order review.

The provisional witness list, subject to change, is as follows:

1. Cst. Brown,
2. Cst. Hawkins,
3. Cst. Potts
4. CBP Officer Obrist,
5. Probation Officer Bhimji,
6. Court Clerk Ragua, and
7. Court Clerk Dhinjal
