F – Patrick FOX

?F1 – Unidentified Female 1

?F2 – Unidentified Female 2

?M1 – Unidentified Male 1

?M2 – Unidentified Male 2

Unintelligible background voices throughout

D Okay, I just activated my recorder here.

F 'Kay.

D 'Kay, the, just gotta, at 7:41 AM.

?F1 (Unintelligible) just keep that hand on the other side.

D Robert, you'll just keep his effects here? 'Cause we don't need them at the interview room.

?M1 Don't need them in there (unintelligible).

D Not in the interview room, no.

?M1 (Unintelligible) need them at the jail?

D Oh, yeah, well, they won't take the Jail 8 without him there.

?M1 Yeah.

D 'Kay, uh, Mr. Fox. Hi. Uh, my name is, uh, Det. Cst. Kyle Dent. Um, I understand you prefer Mr. Fox.

F I don't care.

D You don't care. Okay

?F1 (Unintelligible)

F Just...

D To be honest, I don't either. You can call me Kyle. You can call me Det. Dent. Dealer's choice.

?M1 Yeah.

F Mm.

1 D 'Kay? Um, we're gonna go into an interview room. Everything's audio video. I'll
2 probably say that a couple more times, but, uh, follow me, please.

3 F Chronic Offender Unit.

4 D Uh, it's just the interview room. It's been modified, but, uh, if you don't mind
5 grabbin' a seat on the other side there. Thanks. Um, yeah, they modified this
6 room for interviews due to the ongoing global, uh, pandemic of COVID-

7 F Sure.

8 D ...19. Uh, this room has been sanitized.

9 F I don't care.

10 D I have to. I don't either. Uh, but, yeah, the room has been sanitized. I do have
11 to ask, have you had any symptoms of...

12 F No.

13 D ...COVID-19 in the last couple days? No?

14 F No.

15 D Have you been in contact with anybody?

16 F No (coughs).

17 D No? Just a tickle.

18 F No, it's, uh, smoke.

19 D Oh, okay, well, I got a, a water bottle and granola bottle there for ya. Um, if you'd
20 like, I can provide you with a, a face mask. Um, if, during this conversation, no,
21 okay. I feel comfortable not wearing one with this massive, uh, Plexiglas
22 window, but, okay. Uh, let's just get goin'.

23 F Um, the recorder, though...

24 D Yeah.

25 F ...I guess you should probably have it in this area because the sound doesn't
26 travel very well through the Plexiglas.

27 D Sure.

28 F I'm assuming you're recording.

29 D Not only here.

30 F 'Kay.

31 D But there, the room as you can see those little things there are...

32 F Mm-hmm.

1 D ...the, uh, microphones or recorders...

2 F Sure

3 D ...that will record everything. This is just a backup. Um, we are on a city budget,
4 and so sometimes the equipment doesn't work as it should be.

5 F It's important to have good quality audio and video, though, for me to put onto the
6 website.

7 D Uh, fair enough. There you go. Uh, so, I guess you know why we're here.

8 F No, no idea.

9 D No?

10 F I'm being sarcastic. I'm sure it's got something to do with, um, violating a
11 probation order for not taking down the website within 48 hours, but really it's not
12 about that 'cause if it was about that, you guys would've come and arrested me
13 three or four weeks ago. Um, I'm sure it's probably because there's been a
14 recent addition of some content that's very critical of Mark Myhre and exposes
15 some corruption that he was engaged in.

16 D Tell me about it.

17 F No.

18 D No?

19 F It's on the website, but, uh...

20 D Oh, it's on the website?

21 F ...oh, yeah, everything's on the website. Even, even the newer stuff related to
22 the other cases...

23 D Yeah.

24 F ...is on the website now, but can't say more about it. It's on the website
25 (unintelligible).

26 D It's on the website? Only no, no, no. Uh, I'll be honest. I looked at the website
27 just the other day, and I didn't see any new postings or anything in the last
28 couple d-, where, where on the website is it? Just so I can...

29 F Under the R. v. Fox directory.

30 D ...yeah.

31 F Uh, 244069-5-BC.

32 D Okay. My friend, you speak very quickly. Just wanna make sure I've got them.

1 F Of course, by saying that, I'm neither admitting nor denying that I had anything to
2 do with putting it on there. I'm simply stating it is there.

3 D It is there. Okay. Y-, can you go one more time with that?

4 F Sure.

5 D Yeah.

6 F It's the usual, uh, URL.

7 D Yeah, the...

8 F The R. v. Fox direct, or, R. v. Fox page. I'm sure you're familiar with that.

9 D Uh, yeah.

10 F Um, and then slash 244...

11 D 244...

12 F ...069...

13 D ...069...

14 F ...dash 5...

15 D ...dash 5...

16 F ...dash BC.

17 D ...dash BC. And...

18 F It's lower cas 'b', 'c'.

19 D ...uh, okay. It'll be on there, though.

20 F I think, yeah, I think URLs don't matter.

21 D I'll, I'll be able to see the link. And which, what does this one show? You, you...

22 F That has information and content related to the probation violation case of
23 leaving British Columbia.

24 D Okay.

25 F All the corruption and misconduct that the Crown and, uh, CBSA engaged in.

26 D Okay.

27 F The page is incomplete at this point, but you'll see at the top n...

28 D Yeah

29 F ...highlighted in yellow, it says that I posted it incomplete because, um, I, not
30 being me, I being the person who posted it.

31 D Mm-hmm.

32 F Again, I'm neither admitting nor denying that I posted it.

1 D It's like you've done this before.

2 F Um, mm, um, it states on there that it's...

3 D Yeah.

4 F ...been posted incomplete because the person expects that they're gonna be

5 arrested at any moment, or that they can be arrested at any moment.

6 D Okay. That...

7 F Hey, here I am.

8 D ...I was gonna say, that being you. Um, okay, so, again, we can jump into this

9 more, but before we even get into that and everything else like that, I just wanna

10 make sure, do you need anything? Like I got you a water. I got you a, a, a

11 granola bar right there.

12 F Yeah, coffee and cigarettes.

13 D Uh, I can't do anything...

14 F And...

15 D ...about that right now. Uh, I don't have any smokes on me.

16 F ...mm-hmm.

17 D I can look into maybe gettin' ya some after. Do you have any in your effects?

18 F No, no.

19 D No.

20 F The pack I had in my pocket was empty.

21 D Okay.

22 F I was about to step outside and have one. Saw...

23 D Yeah.

24 F ...the officers there. Knew they there for me, so...

25 D Okay. What...

26 F ...I saw them come yesterday.

27 D Oh, they were there yesterday?

28 F Yeah

29 D Okay.

30 F At lunchtime.

31 D I'm gonna be honest. My knowledge in this file is limited. Uh, I just, I'm new to

32 the section...

1 F Mm-hmm.

2 D ...and so they just said, hey, we need you to interview this guy who hasn't taken
3 down a website.

4 F Mm-hmm.

5 D Uh, so we'll...

6 F But you've seen the website.

7 D ...yeah.

8 F You've already admitted (unintelligible).

9 D Well, I wanted to know what the website was.

10 F Mm.

11 D Right? Um...

12 F You find all the, um, the murder videos and the child porn and all that?

13 D Uh, I didn't have a lot of time to go through everything.

14 F I'm kidding. There's nothing illegal on the website.

15 D Um, oh, well, that's good. Just the website itself.

16 F The website itself is not illegal.

17 D No, huh?

18 F No. Um, I was ordered to take it down as a condition of probation.

19 D Yeah.

20 F Doesn't mean there's anything illegal about the website.

21 D Yeah.

22 F And the criminal harassment that I was convicted of based in part on the
23 website...

24 D Yes.

25 F ...they're now refusing to prosecute me, adamantly refusing to prosecute me
26 for...

27 D Yeah.

28 F ...that again because I published all of the proof of the corruption that happened
29 at the first trial.

30 D Yeah.

31 F So, there's nothing illegal about the website.

32 D Okay.

1 F If there was, they would prosecute me.

2 D Fair enough. I'm not saying that the, sorry, let me rephrase. The, the website,
3 you're right, isn't illegal. Um, but is there a reason why you haven't taken it
4 down?

5 F Yes. Well, wai-, wai-, no, no. I can't say that there's a reason I haven't taken it
6 down. I can say that there is a reason it hasn't been taken down. Um...

7 D Okay.

8 F ...because it is exposing corruption and misconduct that goes on every day in the
9 local justice system.

10 D Yeah.

11 F It exposes the corruption and misconduct of jackasses like Mark Myhre and Tony
12 Lagemaat, and of course it exposes the misconduct of that evil horrible cunt of an
13 ex-wife of mine. Oh, sorry. Maybe was a l-, bi-, a little bit too abrasive. Um, that
14 horrible person of, uh, my ex-wife.

15 D I'll tell ya right now. I spent four years walkin' the beat in the Downtown Eastside.

16 F Mm-hmm.

17 D There's virtually nothing that you could say to me that is...

18 F Oh, not for you. For the recording.

19 D ...going to offend me. Yeah. Well...

20 F This is going to be played in court. Um, obviously when the trial comes...

21 D ...well...

22 F ...this is gonna be evidence.

23 D ...okay. Uh, have you been treated well so far today?

24 F Na-, sure.

25 D Okay.

26 F Neither good nor bad.

27 D Fairly.

28 F Mm.

29 D Is that fair to say? Fairly?

30 F Yes, definitely.

1 D Okay. Um, I also wanna make sure that no person has threatened you to speak
2 with me today or promised you anything in return for speaking to me today. Is
3 that correct?

4 F That is correct.

5 D All right. Good. Um, has anyone promised you anything in return for speaking
6 with me today?

7 F No.

8 D Okay, and last thing, no promises or threats can be of any effect, right? S ...

9 F Okay.

10 D ...that's, that's just something that we cover off in every single interview. We just
11 wanna make sure that you're, you're chattin' with me in this recorded and...

12 F Mm-hmm.

13 D ...videoed room, uh, and that nobody has basically said you have to. That's not
14 the case. Um, how long have you, you are, you're at Belkin House, right?

15 F Yeah.

16 D How long have you been there for, -ish?

17 F I was released on August 20th, so from the 20th until now.

18 D Okay. Is it goin' well there?

19 F Mm, I m-, define well. That's subjective. Um...

20 D Like is there no problems there?

21 F ...well, oh, yeah, no problems. No.

22 D Okay.

23 F I get along with everybody.

24 D Oh, that's good.

25 F Um, respectful to staff. Everybody likes me. There's no issues.

26 D That's good. That's actually challenging to do.

27 F Really?

28 D Right? Well, there's some people who are, uh, cha-, hard to house...

29 F Mm, oh, sure.

30 D ...who have stayed in Belkin before.

31 F Yeah, yeah.

32 D And so you getting along, like you said, not you, personally, getting...

1 F Mm-hmm.

2 D ...along with, you know, staff and everything. That I actually believe. But you

3 getting along with everybody else there, like there must some people there who

4 just don't like other people.

5 F Mm-hmm.

6 D So, uh, that's, that's good to know. But I am aware of their policy that they

7 usually, there's a time limit.

8 F 30 days.

9 D Yeah.

10 F But I've heard rumours. I haven't verified it with the staff...

11 D Yeah.

12 F ...but, uh, I've heard rumours that because of COVID-19...

13 D Yeah.

14 F ...they've been extending people.

15 D Oh.

16 F But anyway, if they don't extend me, then my 30 days runs out in two days, so...

17 D Okay, and any...

18 F ...your timing is impeccable.

19 D ...any plans on goin' anywhere, or have you been lookin' anywhere else to stay?

20 F Yeah. North Fraser.

21 D Oh.

22 F I've been waiting for you guys to come and arrest me. I mean, I said to the

23 judge, I'm not taking down the website.

24 D Yeah.

25 F An-, I'm kinda surprised it took this long.

26 D I just got to the section.

27 F I think it's because if it were not for those recent, um, changes about Mark

28 Myhre...

29 D Yeah.

30 F ...um, then probably nobody would've done anything, but I suspect that Mark

31 Myhre probably threw a hissy fit because he's a little pansy bitch and went, oh,

1 he's saying these mean things about me. Take this off. Get him in jail or
2 something. Sorry. I haven't had a coffee yet.

3 D Preach (phonetic) I...

4 F I'm not the most eloquent right now.

5 D ...eh, I'm irritable without my second usually third...

6 F Mm.

7 D ...cup of coffee of the day. Um, s-, maybe you can give me some clarity 'cause
8 like I said, I r-, reviewed a couple things on your website.

9 F Mm-hmm.

10 D But what, what did Mark Myhre do to you? Like...

11 F He was the prosecutor in the criminal harassment case. He knew they
12 (unintelligible) it's all on the website.

13 D No, I know. Like I said, I've been through it...

14 F Mm-hmm.

15 D ...right? But like specifically, there's a lot on there.

16 F Yeah.

17 D Like let's be honest

18 F Yeah, yeah.

19 D Like I can't go through it in a day. I've had a day to prepare

20 F Mm-hmm.

21 D Right? So, and to be honest, I was hopin' I could get it from you just 'cause I'm,
22 I'm surprised. 'Cause before this, you had no criminal h-, history. You had very
23 little interaction.

24 F Yes.

25 D In the eyes of everyone...

26 F Yes.

27 D ...you are a normal upstanding citizen.

28 F I was, yes, and...

29 D And then shit happened, and here we are.

30 F ...yes, because my fucking ex-wife...

31 D Yeah.

32 F ...took my child, ran off to another fucking state with him.

1 D Yeah.

2 F Tells a buncha lies to get me deported to a fucking country that I'm not a fucking
3 citizen of.

4 D Yeah.

5 F Then I end up up here, and then you ja-, not you, but...

6 D Thank you.

7 F ...your stupid fuckin' system up here pulls all this bullshit about lying and ignoring
8 all of her perjury and such.

9 D Yeah.

10 F Finds me guilty and sends me to prison for three fucking years, and then I get
11 out, and then they say, no, you can't leave British Columbia. You're not a
12 Canadian citizen. You can't work. You can't support yourself, but we're not
13 gonna let you leave for three years I mean, what the fuck?

14 D 'Kay, I'm not gonna lie to you. That sounds fucked.

15 F If the fucking bitch woulda just stayed out of our lives. She was gone for nine
16 fucking years. She didn't have to come back and...

17 D Yeah.

18 F ...take my son and run off and go, oh, he's trying to take my child and take him to
19 another country. You need to arrest him.

20 D Yeah.

21 F And then this jackass CBSA up here tells Homeland Security, oh, yeah, you can
22 deport him here. He's not a Canadian citizen, but fuck it. We'll, we're puppets of
23 you, so go ahead. Okay. That's it. That's the whole story.

24 D So, you're an American citizen stuck in Canada.

25 F Yes.

26 D But they're saying you're a Canadian citizen?

27 F No. It's...

28 D They're not, you're not even a Canadian citizen, but...

29 F (Unintelligible)

30 D ...they won't let you back in the States.

31 F CBSA and IRCC documents, it...

32 D Yeah.

1 F ...clearly states they're on the website right there.

2 D Yeah.

3 F They were evidence at one my trials recently.

4 D Yeah.

5 F They clearly state that I was born in the United States.

6 D Okay.

7 F They acknowledge it. But now, because they fucked up so bad allowing

8 Homeland Security to deport me here...

9 D Yeah.

10 F ...now they won't get involved.

11 D No.

12 F I say, well, remove me. I can't leave voluntarily, so please deport me. If I get

13 deported, then it's, it's okay. I'm not violating...

14 D Yeah.

15 F ...probation.

16 D Yeah.

17 F But we're not gonna get involved.

18 D Of course not.

19 F So, I'm stuck here living in fuckin' homeless shelters until the end of 2021, and if I

20 go back to the US...

21 D Yeah.

22 F ...they're gonna issue a warrant here, and then Homeland Security's gonna

23 come and arrest me and send me back like they did the last two times.

24 D Yeah.

25 F So, that's why I'm a little bit pissed off, and that's why, um, I was a perfectly fine

26 upstanding citizen before.

27 D Yeah.

28 F And then everything falls apart after this...

29 D Yeah.

30 F ...with the criminal harassment thing. In 2015 she files a complaint. The RCMP

31 investigates. I had a firearms licence, a PAL at the time.

32 D Okay.

1 F Now, if there was any credibility to her claims at all, they would've suspended my
2 PAL but they investigated for four months, and during that four-month stay, my
3 PAL was in a restricted state where I just couldn't buy any new firearms, but they
4 didn't suspend it. They didn't take away the firearms...

5 D (Unintelligible)

6 F ...that I had. They investigated. They determined that her, her claims were not
7 credible. There's nothing to worry about, and then they restored my PAL back to
8 normal.

9 D Okay.

10 F Then, a few months later, because I decided to move back to the US, then they
11 decided to arrest me and ship me back here.

12 D Okay.

13 F So, it's starting to seem like there's a pattern here that, um, they freak out and
14 get angry and arrest me when I go back to the US. Except this time. This time,
15 it's because I made Mark Myhre look like a pansy bitch.

16 D Now, is it just Mark Myhre that you're, and your ex-wife that you're pissed off
17 with, or...

18 F Well, I've got a lot to say about Bernie Wolfe, as well, but that's (unintelligible).

19 D Bernie Wolfe.

20 F Oh, he's the prosecutor on the other one about the leaving BC.

21 D Yeah.

22 F I turned myself in to CBSA so...

23 D Yeah.

24 F ...that CBSA would deny me readmission. This is, w-, well, most of this is on the
25 website.

26 D Yeah.

27 F It's incomplete.

28 D Okay

29 F So that, that way, I wouldn't be violating the probation conditions...

30 D Yeah.

31 F ...because Mark Myhre even said at the sentencing that if I get removed or if I'm
32 told to leave by IRCC or CBSA...

1 D Yeah.

2 F ...obviously he's not gonna prosecute me for that because then I'm not leaving
3 voluntarily.

4 D Of course.

5 F So, that's exactly what I did. I turned myself in at the Douglas border crossing.

6 D Yeah.

7 F CBSA tells me, oh, you're not admissible, but I don't think that the US is gonna
8 allow you in because you don't have proof of citizenship on you. I'm like, don't
9 worry about that. I'll deal with that with CBSA, and then I confirmed that, okay,
10 but I'm not admissible, right? If I try to go back in, you're gonna arrest me. She
11 says, yes, you are absolutely not admissible to Canada. So, then I go back to
12 the US. I knew CBP, CBP was gonna arrest me.

13 D Yeah.

14 F And so I was prepared for that.

15 D Mm-hmm.

16 F Um, but then the jackoff goes and gets a warrant up here, and then they send me
17 back here for that. And then Bernie Wolfe was the prosecutor on that case.

18 D Yeah.

19 F Um, uh, CBSA destroys the video footage of me at the border. Then they lie and
20 say that there's no evidence I ever presented myself, and then Bernie Wolfe is in
21 court lying about that, too, saying, oh, Mr. Fox must be lying about presenting
22 himself to CBSA on that day because there's absolutely no record that he did,
23 and surely there would be some record. But then I get from IRCC a copy of my
24 GCMS, my Global Case Management System...

25 D Yeah.

26 F ...report, which shows the notes. It has the notes from the CBSA officer.
27 They've been lying all this time to the court and everybody.

28 D Yeah

29 F So, I show that to the court, and the court says, okay, well, we're gonna proceed,
30 and I want this CBSA officer to come and testify. And then of course she comes
31 and testifies, but then she lies and she actually testifies that at a port of entry, the

1 burden is on CBSA to prove that somebody's not a Canadian citizen, and if
2 CBSA can't prove that I'm not a Canadian citizen or somebody's not...

3 D Yeah.

4 F ...they have to allow the person into the country. I'm, what is wrong with you?
5 The law is the opposite on the matter. At a port of entry, the burden is on the
6 person seeking entry to Canada to prove that they're entitled to enter. Anyway,
7 what a fuckin' fiasco. This whole fucking justice system up here, or at least in the
8 Vancouver area, is so fuckin' demented. Um...

9 D Try working within it.

10 F ...yeah, but you can leave. I can't. They won't let me.

11 D Uh, uh, well, I can't leave my job, otherwise, you know, I can't afford bills.

12 F Well, you can resign. You can go work in a differen province or...

13 D Yeah.

14 F ...a different country or something.

15 D Yeah, no...

16 F Um...

17 D ...it, it's, it's a hard system. There's, I'll, I'll be blunt. Li-, I've been doing it, this
18 job for 11 years, and every, almost...

19 F ...mm hmm.

20 D ...almost every time I leave that courthouse, I'm d-, I'm just shakin' my head,
21 right? Like it's just th-, it's backwards.

22 F All right. So, we've built a rapport.

23 D Yes, uh, honestly, no, like...

24 F So, now I put my gun down and now I'll tell you everything that you wanna know.

25 D ...no (unintelligible).

26 F I'm being sarcastic.

27 D Obviously. You're, you and I have very similar sarcasm there, uh, but, no I'm, I'm
28 dead serious. Like our court system...

29 F Mm-hmm.

30 D ...needs to be completely...

31 F Yes, it's a joke.

32 D ...turned upside down.

1 F And if you're a drug addict or something or you have drug problems, oh, well,
2 then it's just a revolving door. Yeah. Go ahead. Go ahead. We'll let you go.
3 Go take more drugs.

4 D Oh, no, they don't even make the door.

5 F What?

6 D They don't even make the door. I can make i-, a hundred drug arrests in the
7 Downtown Eastside and the court system won't even accept the charges.

8 F Mm.

9 D Like, uh, no, no, no, no. Even dealers. I c-, I've arrested drug dealers.

10 F Mm-hmm.

11 D And they've said, well, you know, it's not, it's not kilo level, so we...

12 F Right.

13 D ...don't care. Say, oh, okay, this is the poison that's killing people down here, but
14 no. No. I, i-, it's, anyway, that's a conversation for another day. Maybe over a
15 coffee. Um, but, yes, so, I'm just gonna summarize a little bit here.

16 F Mm.

17 D Uh, and correct me if I'm wrong. You've been screwed by the system and you've
18 been expecting to be arrested because the website hasn't been taken down yet.

19 F Screwed by the system. Um, okay, and, um, yeah, sure, fine.

20 D So, who has access to this website?

21 F Not gonna tell you.

22 D Li-, li-, y-, okay.

23 F I can tell you that...

24 D Yeah.

25 F ...people outside of Canada.

26 D People outside of...

27 F Uh, uh, oh, wait, wait. When you say have access to the website, you mean to
28 the contents (unintelligible) publicly accessible.

29 D ...yes, like who can, who can post things to it?

30 F Or who has access to go in, to log in to, oh, okay.

31 D Yeah, that's what I mean. Like who can, who can post...

32 F Yeah, no, I'm not, I'm not gonna answer that.

1 D ...(unintelligible) to this website. No?

2 F No.

3 D Okay. Um, okay, you know I have to ask.

4 F Of course.

5 D Right? Um, but you were given the condition to take it down. So, it, can, is it

6 safe to assume, like j-,...

7 F Let me ask you.

8 D ...yeah, oh, please.

9 F Do you have any evidence at all that the website was not taken down within 48

10 hours and then put right back up by somebody else?

11 D Uh, my knowledge (unintelligible).

12 F I know the answer to that question. The quest-, the answer is no.

13 D Yeah. Okay. My answer is I don't know.

14 F Right.

15 D Right? Um, I think the fact that...

16 F Well, yeah. That's what I mean. You don't know.

17 D ...like I said, the breach today is because it's still viewable.

18 F Mm-hmm

19 D Right? It had to be taken down, right? I logged onto it just a day ago.

20 F Mm-hmm.

21 D Right? So, it's still there and that's, that's the breach.

22 F I know. I saw the access logs.

23 D Yeah. Right?

24 F A lot of activity from the Province of British Columbia and the City of Vancouver.

25 I assume the City of Vancouver was the VPD and I assume that the Province of

26 British Columbia is probably Crown Counsel.

27 D (Unintelligible) I'm not gonna argue.

28 F There was also, a couple weeks ago, a lot of activity from Shared Services

29 Canada, and I assume that that's the RCMP.

30 D From who?

31 F Shared Services Canada. All the government, uh, they, they set up their internal

32 network in this...

1 D Yeah.

2 F ...ass backward way or back assward (phonetic)? But, um...

3 D Ass backward.

4 F ...so that they have a proxy server set up in Ottawa and...

5 D Yeah.

6 F ...even though an RCMP office or, uh, federal offices out here, all the packets go

7 through this proxy server in Ottawa.

8 D Yeah.

9 F So, it shows up in the access logs as, uh, 198.212 or something.

10 D Yeah.

11 F The IP address.

12 D And that's for the Government of Canada.

13 F Federal Government, yeah.

14 D Okay. Um, so, h-, let's say hypothetically speaking...

15 F Everything is hypothetical.

16 D ...of course everything's hypothetical.

17 F Otherwise I'd be admitting stuff.

18 D Uh, what would it take for the website to be taken down? I'm just curious.

19 F For the BC government, maybe, uh, David Eby himself, um, to admit to all the

20 corruption and the collusion t-, basically to admit that everything that I'm claiming

21 in my affidavit on the website is true and to overturn my conviction for criminal

22 harassment, and then obviously any other convictions that stem from that would

23 have to be overturned. And for my ex-wife to get throat cancer and die a slow

24 miserable death. The last part is negotiable. But the other stuff, um, I'm not

25 willing to take down any of, or nobody is going to take down any of the proof of

26 any of the corruption that has occurred in my cases or any of the many other...

27 D Mm.

28 F ...cases that you guys keep introducing me to by locking me up in North Fraser

29 and putting me with a bunch of other people who have had similar experiences.

30 Um, and so none of that's going to come down, um, unless the provincial

31 government acknowledges publicly that, uh, I didn't actually commit criminal

32 harassment and that Mark Myhre and Bernie Wolfe are evil miserable pricks.

1 D What do you think the odds of that happening are?

2 F I'd say probably about five per cent.

3 D More of a percentage than I would ever give.

4 F Mm.

5 D Getting a politician to ever admit wrong.

6 F Oh, no, no. The politician won't be admitting wrong. He'll be admitting that

7 people below him, people so far below him that...

8 D Yeah.

9 F ...he couldn't possibly have known anything about it.

10 D Naturally.

11 F Mm. That they were wrong. Um, whether they admit it or not.

12 D Yeah.

13 F The proof is there. More proof is coming. I mean...

14 D Yeah.

15 F ...there's still a lot more stuff that needs to be put on the website.

16 D Yeah. Like what?

17 F Mm, can't answer that. Not n-, sorry. I can answer that.

18 D Yeah.

19 F I'm not going to answer that.

20 D Okay, well, like I said...

21 F Mm-hmm.

22 D ...speaking the hypothetical here...

23 F Yeah, yeah.

24 D ...um, this is just stuff about that may be posted, not saying that you're gonna

25 post it, but it may be posted.

26 F Mm-hmm.

27 D And (unintelligible) I'm assuming that only a handful of unknown people have the

28 ability to put things on this.

29 F Mm-hmm.

30 D Like I'm assuming like you would need a user name and password in order to

31 make alterations or anything to websites. Anybody can comment on a website. I

32 saw a number of comments of support, actually, on your website there.

1 F Well, even the comments, though, have to be approved.

2 D Oh, do they?

3 F I do , oh, yeah, I don't...

4 D I do-, I've never created a website before. I don t know how it works.

5 F Otherwise people would put spam comments on there.

6 D Oh. That makes sense. People love to troll.

7 F Mm.

8 D Um, so, somebody would post, yeah.

9 F If there is anybody assisting me with it, it would be somebody outside of Canada.

10 D Yeah.

11 F Obviously I wouldn't, mm, I wouldn't put someone in Canada in a place of trust

12 because then obviously the government is just gonna go after them and...

13 D Yeah.

14 F ...squeeze them to take it down.

15 D Okay.

16 F And since I'm not from Canada, most of the people that I know are not in

17 Canada.

18 D Yeah. They're in the states. Okay. Um, I guess, I'm sure you've seen this very,

19 uh, in-depth, this is your letter to David Eby.

20 F Yeah. Wonderful. Wait, wait, wait, wait. Um, I'm neither admitting nor denying

21 that I actually posted that on there.

22 D Okay.

23 F Now, there's nothing that prohibits me from writing the letter.

24 D Yeah.

25 F Um, the probation cond-, well, the probation condition that you're arresting me on

26 doesn't actually prohibit me from putting any further content on the website.

27 D Correct.

28 F The only condition was that I take it down.

29 D Yes.

30 F If I take it down and then somebody else puts it right back up, or even I put it right

31 back up...

32 D Yeah.

1 F ...24 hours later...

2 D Mm-hmm.

3 F ...I've still complied with that condition. So, these...

4 D Hey, I'm not gonna argue.

5 F ...people are lawyers. You would think that they would write these thi-, the, the

6 conditions better, but...

7 D Uh, s-, I no-, I once arrested a guy who only ever stole chocolate bars from, uh,

8 uh, London Drugs. His condition, no possess Lindt chocolate bars.

9 F Huh.

10 D Like you think your conditions are ridiculous? He li-, that's all he ever stole. So,

11 what'd he start doing? He started stealing Hershey chocolate bars.

12 F Mm.

13 D Couldn't breach him. Caught him all the time now with Hershey, but we couldn't

14 breach 'cause it wasn't Lindt.

15 F Right.

16 D Like again, our system's messed up. Um, I'm not s-, how do I say this? Uh, the,

17 you know, I am gonna actually say that...

18 F It's okay.

19 D ...no, I'm pretty sure you, you posted this 'cause you signed it. Sincerely, Patrick

20 Fox.

21 F Well, let me ask you this question.

22 D Yeah.

23 F Let's say, for example, hypothetically...

24 D Yeah.

25 F ...let's say if, um, Desiree was maintaining this website.

26 D Okay.

27 F Just for the purposes of making my life difficult because of course everybody's

28 going to assume it's me.

29 D Yeah.

30 F Then she's not gonna sign it Desiree Capuano.

31 D No.

32 F She's gonna sign it, Patrick Fox.

1 D Yeah.

2 F Um, or let's say I had written that out on paper.

3 D Yeah.

4 F And then give it t-, to somebody else.

5 D Okay.

6 F And then they posted it...

7 D Yeah.

8 F ...on there.

9 D Like you said...

10 F Mm-hmm.

11 D ...posting on the website isn't illegal.

12 F Right.

13 D Posting it. The website's still up. That's the breach that you have been arrested

14 for today.

15 F Mm-hmm.

16 D Yes, there are other conditions. Yes, there's other things that are, that you're

17 bound by the court and everything else like that, but w-, we get that's not here

18 nor there.

19 F Right.

20 D We're talking about the fact that the website's still up, right? Sign this.

21 F The thing is...

22 D Like...

23 F ...the thing is if by posting that on there...

24 D Yeah.

25 F ...I've violated a probation condition from another probation order and if were to

26 admit to something like that...

27 D Yeah.

28 F ...here now...

29 D Yeah.

30 F ...you guys obviously would share that admission with the other agency that

31 would prosecute me for that other violation. So...

32 D Which one w-,...

1 F ...I'm not going to admit or deny anything that could be used in any other cases,
2 either.

3 D ...yeah.

4 F Anyway, it's not gonna matter because my experience has been, um, I'm gonna
5 be found guilty of everything anyway. You take, for example, the thing that I just
6 had the trial for on August 19th.

7 D Mm-hmm.

8 F Uh, the probation, violating the probation condition of putting the website back
9 online.

10 D Yes.

11 F Um, the Crown and Det. Fontana both admitted...

12 D Yeah.

13 F ...at the trial they have no knowledge of when the website was put back online.

14 D Okay.

15 F So, I asked them, well, did it happen before or after probation began? And they
16 said, we don't know

17 D Okay.

18 F Um, so, my submission was, well, it happened before I was released from
19 Fraser. Before the probation began. The conduct occurred outside the period of
20 probation. It can't possibly be a probation violation.

21 D Yeah.

22 F Yeah, and I was found guilty.

23 D (Unintelligible)

24 F So, um (unintelligible).

25 D Well, at least they were, at least they were honest.

26 F Oh, yeah, yeah. There's not gonna be anything bad written on...

27 D Yeah.

28 F ...any website by or related to me regarding Det. Fontana or, uh, Chris Johnson
29 because as far as I can see, they both conducted themselves professionally.

30 D Yeah.

31 F I mean, they did their job. That was it.

32 D End of the day.

1 F It's not that I hate all prosecutors and...

2 D Yeah

3 F ...all, uh, police.

4 D Just the first guy.

5 F Just, well, no, just the ones that are corrupt.

6 D Yeah.

7 F Just the ones that lie and cheat and destroy evidence and...

8 D Meh (phonetic). Um, the only, like I read this. Obviously, I printed it out. I read it.

9 F Yeah. Notice the date on it?

10 D Of course I notice the date on it. August 19th, 2020, 1:53 PM.

11 F And when did the probation, the current probation order that your (unintelligible).

12 D You have 48 hours to take down the website. This is before that 48 hours. I'm

13 well aware.

14 F That is before the probation began.

15 D Yeah.

16 F Therefore it's, uh, it's, that post has nothing to do with the probation.

17 D I know.

18 F Okay.

19 D Uh, sorry, I said from the get go, like you posting this isn't what you've been

20 arrested for.

21 F Okay, all right, yeah, yeah.

22 D Ri-, an-, I don't wanna lie to you.

23 F Mm-hmm.

24 D I'm not gonna lie to you, right? Like a), uh, I don't wanna be a corrupt person,

25 uh, but b), like it would just be a disservice to you and it would be a disservice to

26 me. I'm not gonna do that.

27 F Okay.

28 D Right? So, you, the reason why I printed this out...

29 F Mm-hmm.

30 D ...is you basically said in court and you have the transcripts...

31 F Mm-hmm.

32 D ...uh, you're not gonna take down the website.

1 F That is correct.

2 D Right?

3 F And I will never ever in my life, as long as I am a I- well, that's...

4 D Yeah.

5 F ...(unintelligible) as long as I'm alive, I will never take down that website. Now,

6 that's not saying the website won't come down because of some other means.

7 D Yeah.

8 F I mean, maybe some US court will actually issue an order...

9 D Yeah.

10 F ...to take it down, but, uh, that's extremely unlikely because that would be a

11 gross, uh, First Amendment violation.

12 D Okay. So, what would happen if the website was taken down? Like let's say,

13 let's say the USA does decide, you know what, we're taking down this website.

14 F Mm-hmm.

15 D He's not even in the States. You don't have a First Amendment right, right now.

16 What, what do you think, what would you do if this website was taken down?

17 F I'm pretty sure that it would probably resurface on a different hosting provider.

18 D The exact same thing, or like a different...

19 F I'm pretty sure it's already set up with another hosting provider so that it would

20 just be a matter of changing the DNS (phonetic), um, entries.

21 D Yeah.

22 F You understand that my entire life has been destroyed, right, because of that evil

23 cunt's lies and stuff. Now, see, it's one thing, she can cry and whine that I

24 destroyed her life with this website, but everything on the website is true.

25 D Mm.

26 F I'm not telling any lies. I'm just informing...

27 D Yeah.

28 F ...people of the kind of person she is. My life has literally been destroyed

29 because of her going on the news media and in court and elling a bunch of lies.

30 D This made media?

31 F What's that? Oh.

32 D This made the news?

1 F Oh, yeah.

2 D I didn't know this made the news.

3 F Back in 2016 when...

4 D Yeah.

5 F ...she first cried to CBC about how...

6 D Yeah.

7 F ...um, I'm doing all this stuff, and I'm threatening to go down there and murder her

8 and...

9 D Yeah.

10 F ...kill her and all this stuff, and that the authorities aren't doing anything about it.

11 And so then CBC did a story about her and me and the website.

12 D Yeah.

13 F And then it got picked up as a human interest story, and for a couple of weeks, it

14 was all over the place. And then the Canadian news media hated me because I

15 was critical about them in a few blog posts on there, so they always only ever

16 write anything very bad about me. Like I'm sure there'll be something in

17 tomorrow's news about me being arrested today, but they don't mention

18 anything...

19 D Yeah.

20 F ...of any of the letters or the emails that I send them, saying, well, what about

21 this, or what about the fact that the probation hadn't even begun when that

22 happened? Anyway...

23 D I don't think this is gonna make news.

24 F You don't think so? It made...

25 D Not today.

26 F ...the trial on...

27 D The only reason why I say that is 'cause there were two major incidents that

28 happened...

29 F ...mm.

30 D ...in the City of Vancouver overnight.

31 F Oh, really?

32 D Yeah.

1 F Did a lot of people die because of COVID? Darn it.

2 D Not because of COVID.

3 F Oh, but a lot of people died?

4 D Uh, y-, it'll be in the news. Um, but, yeah, so this, no. This is not gonna make

5 news.

6 F Okay.

7 D Um, and yeah, if you piss off the news media, they tend to have a very biased

8 opinion of...

9 F All I did was pointed out the errors (unintelligible).

10 D ...their (unintelligible) I mean, sorry, they're true and impartial.

11 F Yeah, right.

12 D They're, they're true and impartial.

13 F Yeah.

14 D Um...

15 F And fully objective. Yes.

16 D ...naturally. Of course, of course. Uh, okay.

17 F So, anyway, that blog post or that...

18 D Mm-hmm

19 F ...that, is that a, yeah, that is a blog post. Yeah.

20 D Yeah, yeah Do you wanna see it?

21 F So, no, no, I'm, I'm familiar with that. I've seen it

22 D Y-, you've seen it.

23 F Um, so that blog post is there.

24 D Yeah.

25 F And, uh, it's got nothing to do with this current charge, so...

26 D Yeah, no, you're right. I, I I've said that from the get go.

27 F Yeah, yeah

28 D Um, but like I said, when, when you're given conditions...

29 F Mm-hmm.

30 D ...to do something and you basically tell the judge you're not going to do

31 something.

32 F Mm-hmm.

1 D As you said, you've been waiting for the police to arrest you.

2 F Oh, yeah. I mean, I was getting kinda nervous 'cause my 30 days at Belkin was

3 running out and I was thinking, well, fuck, what am I gonna do...

4 D I've gotta go find a place.

5 F ...after I leave the Belkin?

6 D Yeah, well, on, on one hand, I'm happy we could help. Um, I don't know how the

7 court process is gonna go from here. I don't know if you're goin' back to North

8 Fraser. If you're g-, just gonna be given paperwork. I don't know. Uh...

9 F Well, hopefully I'm gonna go back to North Fraser and then the trial's probably

10 gonna be set, probably about six or eight months down the road.

11 D You're very optimistic.

12 F Really? Mm. Just experience.

13 D Yeah. You're very optimistic. Usually court happens significantly after, uh...

14 F Well, yeah, I guess it depends, um, if...

15 D ...yeah.

16 F ...you're, oh, well, this is a probation violation, so it's gonna be in the Provincial

17 Court.

18 D Yeah.

19 F Even though I would prefer Supreme, but Provincial has absolute jurisdiction. But

20 it's gonna depend if the Crown is proceeding by Indictment or summary.

21 D Yeah. I don't know.

22 F Mm.

23 D All, uh, like I said, man, my, my investi-, my knowledge in this investigation was,

24 the other day, I was like, hey, we need you to interview somebody. Just go have

25 a conversation.

26 F Mm-hmm.

27 D I read the website. I read the post and, like I said, it's, i-, bluntly speaking, it

28 sounds like you have a lot of grievances and that this is your way of, uh, a) letting

29 your grievances out, but b) trying to show people exactly how the system is

30 absolutely messed up. It is messed up and it has ruined you. Um, so, on one

31 hand, I understand that, you know what, you need to do something about it. But

32 another hand, uh, and this is just 'cause of who I am, I listen to court orders.

1 F Mm-hmm.

2 D So, if I were told to take down a website...

3 F Yeah.

4 D ...I would take it down.

5 F Right. Consider this, if you will.

6 D I'm listening.

7 F The Crown and the Court are justifying ordering me to take down the website...

8 D Yeah.

9 F ...um, claiming that it's for Capuano's protection.

10 D Mm-hmm.

11 F However, they're refusing to prosecute me for criminal harassment again for the

12 website being back online, which proves that they don't care about Capuano's

13 cre-, or, uh, protection. It's really, they want me to take the website down

14 because it makes them look bad.

15 D Yeah.

16 F And they can kiss my motherfucking ass and this is gonna be played in court in a

17 few months when the trial goes on, and the judge can watch when I'm saying

18 this, I just don't give a flying fuck. They can lock me up for the rest of my life. I

19 don't care. My life is over. It's ruined. I haven't had contact with my son since

20 2016. I'm exiled from the only place that I wanna live. Um, I'm stuck in this

21 fuckin' godforsaken shithole of a country, no offence, but...

22 D None taken.

23 F ...run by feminists and angry militants and such. So, I don't care. I don't give a

24 flying fuck.

25 D Yeah. You're never gonna take down the website.

26 F No, and I'm saying all this for the benefit of the judge who's gonna be watching

27 this in a few months when it goes to trial.

28 D Okay.

29 F And I'm saying it to th-, for the benefit of the Crown, so they can all go, oh, this is

30 horrible. Oh, look at this man. He has no respect for the system. He's just got

31 contempt for the system. Fuck off. I'm looking at the camera when I say that.

32 Not you.

1 D I know.

2 F Okay.

3 D Hey, I'll be honest. You said from the get go, you have nothing against, uh, the

4 VPD for doin' their jobs.

5 F So far, yeah, I've got no issues with you guys. I mean, I've heard stories from

6 other inmates, um, about you guys with your dogs and chewing up people's arms

7 and stuff or like beating the crap out of people. But hey, most of the time, they

8 probably deserved it.

9 D Uh, now it's my turn to say, I will not confirm nor deny. Uh, okay, uh, I will be

10 right back. Do you need anything in the meantime? Are you good right now?

11 F Yeah, coffee and cigarettes.

12 D Oh, you know. I hear ya.

13 F Yeah.

14 D Like I said, I'll see what I can do about the smokes.

15 F Mm.

16 D Uh, gimme one minute (unintelligible).

17 **Long pause (ends at E.T 00:35:17)**

18 F Bad stuff bad stuff, bad stuff. I'm saying incriminating stuff. Oh, oh, oh, I'm

19 saying stuff that you can use against me right now (chuckles).

20 **Long pause (ends at E.T. 00:38:18)**

21 D I was tryna track you down some smokes.

22 F Mm, thanks.

23 D But I, the last time I worked down here in the east side, uh, was seven years ago

24 now. My pass doesn't work on some of the doors. So, um, if there is a BET

25 member that comes in, usually they have access. We have a couple smokes

26 upstairs. I'm not gonna promise that I can get them.

27 F Of course, not.

28 D 'Cause they're, and the only reason I say that is 'cause they're very busy today...

29 F Mm.

30 D ...with incidents I was talking about earlier. Um, but, if I can find somebody, I'll

31 see about getting you some smokes.

32 F Great, thanks.

1 D I can promise a coffee.

2 F While you were out, I said a bunch of bad things and incriminating things into the,
3 uh, microphone.

4 D Oh, did you?

5 F Yes, yes.

6 D I'm sure.

7 F Fabulous.

8 D Yeah. So, I can wrap this up...

9 F You'll see (unintelligible).

10 D ...we're done

11 F Oh, you'll see when you play it back.

12 D Uh, am I gonna laugh later?

13 F Probably.

14 D Okay. M'kay. Oh, man. Um, I'm gonna be as straightforward with you, like I
15 said, as I can. Um, the most important thing that I can see that you value right
16 now is the truth because you've been screwed over by people who have not told
17 the truth. Am I right?

18 F Mm-hmm, mm-hmm.

19 D By your ex perjuring herself in court.

20 F Mm-hmm.

21 D By prosecutors not being completely forthright. Border. By everything. So, like I
22 said, I'm, I'm not gonna lie to you. You're arrested today because the website's
23 still up 'cause you haven't taken it down right?

24 F Mm-hmm.

25 D Um...

26 F Although you yourself have admitted that, um, nobody in the VPD actually has
27 any evidence to support that. I mean, it is still up now.

28 D Yeah

29 F However, like I said...

30 D Yeah.

31 F ...um, if I had taken it down within 48 hours...

32 D Yeah.

1 F ...and then put it right back up, I would've complied with the condition.

2 D Yeah.

3 F Because there was no condition that...

4 D Yeah.

5 F ...prohibited me from putting it right back up. It just said you must take it down

6 within 48 hours.

7 D Can you, like and this is just me not being very technical, technologically savvy.

8 F Mm-hmm.

9 D Is it possible to take down a website and put it back up I-, uh, flawlessly?

10 F First of all, what does take down mean?

11 D Yeah.

12 F It's a vague term. It's not a technical term. So telling somebody to...

13 D Yeah.

14 F ...take down a website...

15 D Yeah.

16 F ...is gibberish. It means nothing.

17 D Yeah.

18 F Um, I would assume they mean take it offline. Make it no longer publicly

19 accessible.

20 D Yes.

21 F I mean, you can make it no longer publicly accessible by simply going into the HT

22 (phonetic) access file and, um...

23 D Yeah.

24 F ...putting a restricted access so that a person needs to put in a user name and a

25 password to log into it.

26 D Yeah.

27 F That would accomplish taking it down. Or you could change the DNS entries and

28 then just go and switch them back later.

29 D Yeah.

30 F Or you could just, um, rename the document root directly so that, uh, the web

31 server, um, is looking in a different empty directory, in which case just a blank

32 page will come up.

1 D Yeah.

2 F So, any of those things could be done to accomplish taking it down.

3 D You were in computers before, weren't you?

4 F I'm a software engineer.

5 D Where'd you work?

6 F Uh, I worked at VTech, um, for a while until the CBC story ran.

7 D Yeah.

8 F Uh, before that, I worked with a Chinese mobile game company that has an

9 office here in Vancouver called IGG. I was working on their server...

10 D Yeah.

11 F ...uh, server component. It's not on the, on the game part.

12 D N-, on the, the game area stuff or anything.

13 F Right. Before that, I worked at Electronic Arts, and then before that, I was in the

14 US. And in...

15 D EA? W-, at the office here in the Lower Mainland at EA, or...

16 F ...yeah, Burnaby.

17 D ...okay. It's a big company.

18 F Yeah. I did, I sorry, I was going to make a comment about my opinion of the

19 position there, but I don't want to speak poorly about a past employer or client...

20 D Right.

21 F ...particularly if it's something that's being recorded and is eventually gonna be

22 on the website.

23 D I get it. Um...

24 F EA was a great place to work. I was very happy there.

25 D ...hey, I just like their sport games. Um, okay, so, you, you know a lot about

26 computers. It's safe to say that.

27 F Indeed.

28 D Okay. And who would, again, have access to your website? Li-, li-, an-, I, I don't

29 need names, but like the website's very specific, right?

30 F Is it?

31 D It's, what's the website address?

32 F desicapuano.com.

1 D It's specific.

2 F Okay.

3 D Right? Let's call a spade a spade, right? Who else at this stage really has the

4 same interest as you to post this website?

5 F Desiree Capuano has screwed over...

6 D Yeah.

7 F ...a lot of people over the years.

8 D Yeah.

9 F There are lots of people that...

10 D Yeah.

11 F ...hate Desiree Capuano. There are lots of people that like to share

12 information...

13 D Yeah.

14 F ...to help make her life miserable.

15 D Yeah.

16 F I'm not alone in this.

17 D No.

18 F People like her, these evil sociopaths, they go around using people and taking...

19 D Yeah.

20 F ...advantage of them. Consider...

21 D Yeah.

22 F ...she manipulated and, and defrauded the public with her GoFundMe campaign.

23 Oh, there's lots of people that are pissed...

24 D What GoFundMe campaign?

25 F She had a GoFundMe campaign before that some feminist on Jezebel (phonetic)

26 pushed her to start.

27 D Yeah.

28 F Um, so, she started that. I found out about it obviously.

29 D Yeah.

30 F Um, after I was already, was I already in custody? Yeah, yeah, 'cause it was

31 after I was arrested on the criminal harassment thing.

32 D Yeah.

1 F Um, she was goin', well, it's, there's a copy of it on the website.

2 D Okay

3 F But it's still the original GoFundMe campaign is still there, too. If you Google it,

4 you'll find it. Uh...

5 D Yeah.

6 F ...just whining and crying about how, oh, her life is destroyed because of this

7 harassment. Please help me to change all of my public records...

8 D Yeah.

9 F ...and start a new life and such. And then she admitted at the trial that the

10 money she gained from that, she actually spent on other stuff unrelated. So...

11 D Where'd she admit that?

12 F ...at the trial.

13 D Okay.

14 F Again, the transcripts and the recordings of that...

15 D Yeah.

16 F ...are on the website

17 D Again, there was a lot of information...

18 F No, I understand, I understand.

19 D ...on that website. Okay.

20 F I don't mean again as in I've already told you (unintelligible) listening to...

21 D Yeah, yeah, yeah, but you've...

22 F ...I mean, again as in you see...

23 D ...yeah.

24 F ...all this horrible stuff that she did is on the website. Um...

25 D Yeah. And you, and you've grabbed the transcripts from the court and you've

26 posted it there so that everybody can see that she's defrauding the system.

27 F I neither admit nor deny how I obtained the transcripts or if I was the one that put

28 the transcripts on there.

29 D Yeah.

30 F Um, but...

31 D But...

32 F ...I will say that the transcripts are on the website.

1 D ...yeah.

2 F For the purpose of showing, proving to everybody that...

3 D Yeah.

4 F ...she committed at least 81 counts of perjury at the trial...

5 D Yeah.

6 F ...that Mark Myhre and Tony Lagemaat knew about and refused to confront her

7 on, and then there were another hundred and 50 or so...

8 D Yeah.

9 F ...incidences of perjury that she committed, but that it's reasonable that Myhre

10 and Lagemaat may not have known.

11 D Okay. And you suspect that she might be running this website herself?

12 F I'm not...

13 D Do you think she's smart enough to run this website?

14 F ...oh, she's a twit. She's one of those people that just watches CNN all day and

15 repeats what she hears other sen-, smart-sounding people say and she goes,

16 look, I'm smart. I can repeat stuff. Uh, she's an idiot.

17 D So, she likes, she's, she's...

18 F I thought she was smart at first, but...

19 D ...one of those posters that, you know, gets a quote from one source that says

20 they researched it.

21 F ...yeah, yeah, yeah, yeah.

22 D Oh, I hate those (unintelligible).

23 F But anyway, um...

24 D Yeah.

25 F ...I'm not saying that I believe that she's the one...

26 D Yeah.

27 F ...that's...

28 D Yeah.

29 F ...that's maintaining this website right now.

30 D Yeah.

31 F I mean, that would just be crazy and delusional and nobody's gonna believe

32 that.

1 D No. No, uh, and that's why I was...

2 F Mm hmm.

3 D ...li-, again, I was gonna be very honest with you there. I don't think that

4 anybody thinks that she's running this website because...

5 F Right.

6 D ...of how defamatory it is against her, right?

7 F Yeah, but she's a sociopath. She likes attention regardless. I mean, consider

8 she does absolutely nothing to get the website taken down.

9 D Mm-hmm.

10 F Um, she says, when the police or Victim Services people contact her...

11 D Yeah.

12 F ...they say, oh, well, you should do this and this and this to try to get the website

13 taken down, and she says, or, and, you should get another order of protection

14 against, uh, uh, Fox. So, she says, oh, yes, yes, I was going to do that. Yes, I'm

15 gonna do that right away. But she doesn't.

16 D Yeah.

17 F 'Cause she doesn't really give a shit. The website really doesn't affect her that

18 much.

19 D Yeah.

20 F Like it's not like she's really losing her job and losing her friends and stuff. At this

21 point, the website is more really about, um, just exposing the corruption up here

22 because she doesn't give a shit about the website. If she did, she'd do

23 something.

24 D Yeah. And now, so, do you, would you say that the, the website is now shifting

25 from focusing solely on her to more the corruption up here?

26 F I would say that shift occurred probably sometime between January and March of

27 last year.

28 D (Unintelligible).

29 F When all the R. v. Fox stuff was posted on there.

30 D Okay.

31 F I mean, there's been no new information about Capuano other than, I mean,

32 'cause obviously I'm up here and she's down there and...

1 D Yes.

2 F ...I only have so much money to pay private in-, oh, no, I have no money left to
3 pay private investigators.

4 D Yeah.

5 F Um, so, I just have to rely on what other people...

6 D Yeah.

7 F ...happen to send along. But of course, everything has to be confirmed before it
8 goes on the website. It's important that everything must be true on the website.
9 If you get caught telling one lie, you lose all your credibility.

10 D Uh, as much as I don't like this website, I do respect that. You're not just gonna
11 post...

12 F Right.

13 D ...like her. Right? You're not just gonna get one piece of information and say,
14 oh, that's true, and send it out.

15 F Right, right, right, right.

16 D You're gonna, at least due diligence, which, let's be honest, let's hope everybody
17 does, uh, but...

18 F Uh...

19 D ...there wouldn't be the R. v. Fox, uh, tab on your website if everybody did do
20 their due diligence, would there? Right? Um, so, are you gonna rename the
21 website from desicapo.com (phonetic) to something against the BC Government
22 then if your shift is focusing from her to...

23 F Well...

24 D ...to the government?

25 F ...my, my original intention...

26 D Yeah.

27 F ...was that I was going to create a separate website for...

28 D Yeah

29 F ...uh, the corruption and all the stuff that happened in my case.

30 D Yeah.

31 F Um, and keep the desicapuano.com website just about her.

32 D Yeah.

1 F Um, but because of time and financial constraints when I was...

2 D Yeah

3 F ...setting it up before, um, I decided to keep it together. The other reason I

4 decided to keep it together is because by putting, by exposing the corruption, um,

5 intermingled with the website...

6 D Yeah.

7 F ...um, then in order to prosecute me for it again, they would necessarily be

8 exposing their own corruption.

9 D Um, and you don't think that's gonna happen because nobody wants to expose

10 themselves.

11 F They haven't yet, and every time I go to court, I demand that they prosecute me

12 for criminal harassment, and they say, we're not gonna do that. So...

13 D Yeah. And why do you think that is?

14 F 'Cause that would mean a new criminal harassment trial, which...

15 D Yeah.

16 F ...means a new jury which means all of the perjury and the misconduct that

17 occurred at the first trial...

18 D Yeah.

19 F ...is gonna be shown to the jury. Capuano would have to come and testify.

20 She'd be cross-examined on all of the perjury she committed.

21 D Yeah.

22 F Um, she'd be cross-examined on her interactions with, uh, Victim Services. Oh,

23 there's a horrible group of people. Let me tell you. Holy fuck. They'll do

24 anything to get people to testify against complainants and stuff. Even, or against,

25 uh, accused parties, even if the complainant doesn't want to. Even if the

26 complainant was lying in the beginning...

27 D Yeah.

28 F ...and says, you know what, I lied. Maybe I don't wanna go further with this.

29 D Yeah.

30 F But (unintelligible) no, no, this is a bad man. No, you've gotta fight against this.

31 Don't worry. You did nothing wrong.

32 D Yeah.

1 F Oh, my God. And then of course they refuse to disclose any of their records.
2 I've been fighting with them for months and months.

3 D Yeah.

4 F Oh, shit, almost a year now about getting records related to me and they're
5 refusing to admit or deny the records exist. I already have some of the records,
6 so I know they exist.

7 D Yeah. Well, there have to be records of everything, right?

8 F Mm-hmm.

9 D Um, you've mentioned money a couple of times.

10 F Have I?

11 D Um, how are you, like are you on financial assistance? Like welfare or anything
12 like that right now?

13 F No, I don't qualify for social assistance. While I was out previously, the probation
14 officer told me to apply for social assistance. I said I'm not, I'm not eligible. He
15 said, well, apply anyway because him and the prosecutors have their heads so
16 far up their asses that they look in the computer and it says that I'm a Canadian
17 citizen, so they go, well, it says here that he's a Canadian citizen.

18 D Yeah.

19 F I mean, the fact that he's got a US birth certificate and the fact that IRCC
20 documents say he was born in the US, that's irrelevant. Our computer says he's
21 a Canadian citizen.

22 D Yeah.

23 F Anyway, so, it took about two or two-and-a-half months, um, but they finally
24 denied the application because IRCC told them that I have no status in Canada.

25 D Okay. So, right now, you have zero income coming in.

26 F That is absolutely correct.

27 D Okay.

28 F Previously, I still had some credit cards that hadn't expired yet, so I was able to
29 support myself minimally on...

30 D A little bit.

31 F ...some credit cards, but...

32 D Yeah.

1 F ...nope, now I am completely destitute and homeless.

2 D Okay. Um, and if you had money, would you hire a private detective?

3 F I'd buy crack and sit in the back alley and do that.

4 D No, you're not a drug addict at all.

5 F I know. I'm (unintelligible).

6 D Again, I spent years around drug addicts. You are not that at all.

7 F We have to keep this light, you know.

8 D Yeah, no, uh, but would you ever hire a PI to go investigate her?

9 F Of course. Of course.

10 D Just expose her corruption?

11 F I did it before. Yes. I mean, a lot of the information that I got about her before

12 was from a private investigator.

13 D Okay.

14 F There's nothing illegal about that.

15 D No.

16 F Especially since it's in another country. You see, the Canadian courts, the

17 Canadian courts don't seem to understand that they only have jurisdiction in

18 Canada. Prosecuting an American citizen who has a dispute with another

19 American citizen, both parties of which have no ties to Canada at all, is fucking

20 ridiculous to do that in Canada. How 'bout you guys just kick me out of the

21 country. I'll go back to the US, and you can let the US courts deal with it. It's so

22 retarded that they sent me back up here to prosecute me for criminal

23 harassment.

24 D How dare you, sir, make sense? How dare you? Uh, all right. Is there anything

25 else that you think we need to know about the website? Let's just go with that

26 because again, that's why we're here.

27 F Yeah. About the website.

28 D Right? The breach for the website.

29 F Um, well, let's see. I can say that there is a lot more content still, uh, that needs

30 to be put on. It's very time-consuming, though, you know?

31 D Yeah.

1 F And since I'm broke and destitute and homeless, the people that, you know,
2 share cigarettes with me, I gotta kiss their ass, and if they wanna walk over to 7-
3 Eleven and, you know, give me a couple cigarettes well, hey, I gotta go along.

4 D Yeah.

5 F So, I've not been the most productive, but, uh, there's a lot more content, um,
6 and it's going to go up and locking me up in jail is not gonna stop anything. It's
7 not gonna change anything. I mean, all they're doing is they're, by doing all of
8 this...

9 D Yeah.

10 F ...they're showing more and more of a consistent pattern.

11 D Yeah. What's that pattern?

12 F Um, that they're doing nothing about protecting Capuano...

13 D Yeah.

14 F ...yet they're prosecuting me for the website for breaching probation conditions,
15 which means that...

16 D Yeah.

17 F ...they're more concerned with enforcing their stupid ridiculous orders...

18 D Yeah.

19 F ...than they are with protecting supposed victims that they sent me to prison for
20 three years for, so they...

21 D Yeah.

22 F ...can't now say oh, no, no, we don't believe her because then they would be
23 admitting that they sent me to prison incorrectly. Um, shit, what was I saying? I
24 forgot. Sorry (unintelligible).

25 D Oh, you were confessing to absolutely everything about (unintelligible) the
26 website and...

27 F Oh, I thought so, I thought so. Okay. Let me tell you where I put the bodies of
28 the children.

29 D Oh, yeah, obviously. It's always about kids. Um, no, honestly, what you were,
30 my, my last question to you was, uh, is there anything else that I need to know
31 about the website.

32 F Oh, yes, yes, okay...

1 D Yeah.

2 F ...and I was saying that, yes, there's still a lot more content, um...

3 D Yeah.

4 F ...that is going to be published.

5 D Yeah.

6 F Um, uh, yeah, and, you see...

7 D Yeah.

8 F ...well, sorry, I have to think of a way that I could word things that can't be

9 interpreted as saying that I personally did any of this stuff.

10 D Mm-hmm.

11 F I mean, everybody, of course, is going to believe I did this stuff. Um, but, still...

12 D WWe've been pretty honest with each other...

13 F ...mm-hmm.

14 D ...and let's, again, call a spade a spade.

15 F It's got nothing to do with you.

16 D We can go around...

17 F It's got to do with the recordings and the going to jail...

18 D ...no, we can go around...

19 F ...or in, in court.

20 D ...we, yeah, we can, we can go around the bush as much as we want, but let,

21 let's, again, be honest with each other here.

22 F Mm-hmm.

23 D We know you're the one posting these things because you're signing your name

24 at the bottom of them.

25 F Mm. Wait, so, are you saying that if I put that post on there...

26 D Yeah.

27 F ...and I had signed someone else's name...

28 D Yeah

29 F ...that would mean someone else did it?

30 D Obviously.

31 F Oh, thought so. Um...

1 D But come on, like I d-, uh, uh, on one hand, I understand why you're saying I'm
2 not confirming nor denying, but I think we can be pretty honest...

3 F ...for court purposes.

4 D ...for, for court purposes, but I think we can be pretty honest with each other
5 about that. You're posting these things, right? The, the breach isn't the posting,
6 right? Or at least not right now, the breach isn't you posting things on the
7 website. The breach is the website still being there, that we have arrested you
8 for today.

9 F Yes, but, um...

10 D Yeah.

11 F ...there's the other probation order...

12 D Yeah.

13 F ...the three-year one that doesn't expire until December 2021.

14 D Yeah.

15 F That one prohibits me from publishing, disseminating, et cetera, et cetera.

16 D Yeah.

17 F Any information about, uh, Capuano or any of her friends or family, et cetera.

18 D Yeah.

19 F So, if I were to...

20 D But you're posting things now about the court system.

21 F ...um, but she may or may not be mentioned in any given post. I mean, I can't, is
22 her name mentioned in that post? I don't know.

23 D I think, no, I think you were more just a g-, well, maybe about the original file.

24 F If it wasn't, mm...

25 D But you...

26 F ...yeah.

27 D ...no, this is just a vent ab-, to David Eby about the fact that the government and
28 the court system and that, the IRCC (unintelligible).

29 F Their refusal to prosecute me...

30 D Yeah.

31 F ...is essentially...

32 D Yeah.

1 F ...an admission that what I'm saying is true.

2 D Yeah

3 F I mean, that's the point.

4 D Yeah.

5 F Anyway. Um, so, yes, uh, what you should be aware of is that there's a lot more

6 content.

7 D Yeah.

8 F Anybody who would be helping me are people outside of Canada. Um, you're

9 probably, obviously you're going to go into my phone. You're not getting, I'm-,

10 well, I shouldn't say you're not getting it into the laptop. It's extremely unlikely

11 you're gonna get into the laptop. Um, but good luck with that. And if you do, I'd

12 be very surprised and I'd I-, like to let Lenovo know that you guys were actually

13 able to get into it because apparently their security is quite good.

14 D Yeah.

15 F Um, but...

16 D If you wanna talk in hypothetical, what would be on there?

17 F H-, I'm not even gonna mention anything about that.

18 D No?

19 F No, no. Um, I'll leave that u-, up to you guys to figure that out.

20 D I...

21 F Um...

22 D ...I had to ask.

23 F ...of course, of course, and what, from what I saw of the...

24 D Yeah.

25 F ...what do you call it, the Digital Forensics Unit, from the previous case...

26 D Yeah.

27 F ...in their handling of like finding stuff on my phone, they are full of incompetent

28 people who are gonna find absolutely nothing. So...

29 D You're not worried at all?

30 F ...no. Not in the slightest bit. With respect to the phone, you're gonna find stuff

31 in there like my call history and such.

32 D Yeah.

1 F So, you'll see who I was speaking to and I'm sure you're gonna contact those
2 people and you're gonna try to intimidate them or something, but...

3 D I, I don't think I've been intimidating.

4 F ...I've already.... No, no, not you.

5 D Okay.

6 F No. The other, the other people. I mean...

7 D Okay.

8 F ...to try to squeeze information out of them.

9 D Yeah.

10 F But, uh, I've already spoken with everybody and I said, look...

11 D Yeah.

12 F ...you guys know me well enough to know that I'm not gonna say anything to the
13 police and I'm not gonna say anything incriminating to anybody, and so...

14 D No. Okay.

15 F ...and of course, I often protect other people, um, by just not giving them
16 information.

17 D Yeah. Well, like you said from the get go, like you're just not gonna tell us who's
18 running the website right now, right?

19 F Mm.

20 D Um, I don't know.

21 F Mm-hmm.

22 D Like any part of that side of the investigation. I don't.

23 F Mm-hmm.

24 D Um, I haven't reviewed the file, like, of anything that was written today. All I know
25 is that they asked me to come down and interview you.

26 F Yeah.

27 D So, uh, again, last opportunity, is there anything else that you would like to, to
28 have a conversation with me about, uh, regarding the website other than the fact
29 that you will absolutely never take it down. I think you've made that abundantly
30 clear.

31 F Yes, I have made that abundantly clear. Yes.

32 D Okay.

1 F Um, nah, I don't think that there's anything further. Um...

2 D Okay

3 F ...okay, oh, did the Crown ever find it's, uh, laptop? Apparently they were under

4 the impression that when I was released from North Fraser...

5 D Yeah.

6 F ...that I took the laptop or something?

7 D I have no idea.

8 F No? All right.

9 D Did you take their laptop?

10 F I did not.

11 D Okay.

12 F There's, they have security and video.

13 D Yeah.

14 F So you could see me walking out with my stuff...

15 D Yeah, okay.

16 F ...I mean, so...

17 D Do you know anyone who would've taken the laptop, or...

18 F I don't know. Someone at North Fraser, I guess. I mean, it's not like people can

19 just walk in and out of the place.

20 D ...yeah, okay. Uh, I'm just gonna double check one more time...

21 F Yeah.

22 D ...if there's anything else, but I think we're pretty close to being complete here.

23 **Long pause (ends at E.T. 00:59:57)**

24 D Okay, there's nothin' else. Uh, I'm going to conclude the interview. The time is

25 8:41 AM.

26 F Okay.

27 D Um, so, the audio-video in here are gonna be shut off, but so that there aren't

28 gonna be any claims of inducement or anything along those lines, I'm gonna be

29 leaving that on.

30 F Oh.

31 D Uh...

32 F I was gonna say, is this where you guys come in and beat the crap outta me?

1 D ...no. No, no, no. We, we've evolved since, you know, the early 1900s. Um, so,
2 did you finish your, your bar?

3 F I finished it. It was horrible.

4 D Yeah.

5 F Horrible, horrible.

6 D Yeah, they're 50 cent bars.

7 F Mm.

8 D Again, we're on a city budget.

9 F I understand. I mean (unintelligible).

10 D Um, do you wanna finish your water? Just 'cause we can't log that in with you
11 over, over there. So, if you wanna finish your water. Uh, I wasn't able to find a
12 BET unit to grab you a smoke. I do apologize for that. Uh, I did look. I promise.

13 F What is BET?

14 D Beat Enforcement Team. Those are the officers that work out of this building that
15 patrol the Downtown Eastside.

16 F Mm.

17 D Um, it's just beat cause it's shorter, but...

18 F (Unintelligible).

19 D ...like I said, they've been very busy with events.

20 F Sure.

21 D Uh, so...

22 F So, what happened?

23 D ...uh, as far as I understand...

24 F (Unintelligible) going to be in the news (unintelligible).

25 D ...yeah, yeah, it's gonna be in the news. There was a homicide just up the road.

26 F Oh.

27 D Yeah.

28 F S-, single?

29 D Uh, that, I don't know. I heard rumours it might've been a double, but I do-, I
30 don't know.

31 F Uh, got ya.

32 D Um...

1 F Pretty small number anyway.

2 D ...yeah.

3 F Okay.

4 D And then there was another homicide further out in the city, so...

5 F Mm.

6 D ...very busy evening last night.

7 F Really?

8 D Yeah.

9 F And here I am hoping for like millions, but I've just really grown to hate this

10 country and everything about it.

11 D See, I don't hate the country. I, I d-, I don't hate the country. I live here

12 (unintelligible) that. I just think that it needs to evolve. I think it's in the past and

13 it needs to catch up with modern day society.

14 F Mm.

15 D And that's as politically correct an answer as I can possibly give ya.

16 F (Unintelligible)

17 D Um, so, if you're, if you're done your water...

18 F Yeah, yeah.

19 D ...what's gonna happen is I'm gonna put the handcuffs on ya...

20 F Mm-hmm.

21 D ...and then we're gonna walk back over to the jail. You'll be processed and you

22 get to go through that system all over again.

23 F Yeah, yeah. Wonderful. Can't wait to get back to North Fraser.

24 D Uh, again.

25 F Back to the routine, you know?

26 D Yeah, okay. So...

27 **Short pause**

28 D And those are good.

29 F Mm.

30 D Awesome. You're gonna have them on for probably a whole whoppin' five

31 minutes here.

32 F Mm.

1 D Okay? So, come with me. Um, actually, can you just stand right there for two
2 seconds. His effects. Perfect. Okay. Um, so there's a copy of...

3 ?M2 Hi.

4 D Hi.

5 ?M2 Um, just the...

6 D The warrant.

7 ?M2 ...the warrant's in there.

8 D Okay.

9 ?M2 Um, the keys for the locker, they wanted. Um, they have, they're gonna store all
10 your stuff.

11 F Mm-hmm.

12 ?M2 Your boxes and all your papers there, okay? And they said there's for-, you have
13 14 days to get your stuff. So, I don't know how it's arranged or whatever, but
14 they put it all in storage.

15 D If you are transported to North Fraser, I think they work with, 'cause i-, it...

16 F Oh, I've already made arrangements.

17 D ...oh, you have?

18 F Mm-hmm

19 D There we go. Okay. Let's go.

20 F I've been expecting that I'm going to be arrested again.

21 D Yes.

22 F (Unintelligible)

23 **Short pause**

24 D Where in the States are you from

25 F Uh, born in Florida. Spent all my life in Los Angeles.

26 D Okay. It's, uh, those are two very, very big hot spots right now for the, uh
27 pandemic.

28 F Uh, the news is full of crap. Most of it's talking about (unintelligible). I talk to
29 people in Los Angeles (unintelligible).

30 D (Unintelligible)

31 F I talk to people in Los Angeles and they say, oh, it's not that big a deal.

32 D Yeah?

1 F (Unintelligible) blowing it up (unintelligible). It's what they do.

2 ?F2 Vancouver Jail.

3 D Hey, uh, Det. Cst. Dent here. Let me swipe.

4 ?F2 Okay, thank you.

5 D (Unintelligible)

6 F Which way?

7 D Uh, we're gonna go down here. I get to give you probably, what, a third pat

8 down?

9 F Hm.

10 D Uh, and then I log you in cells. So, if you can stand just right here facing the wall.

11 Throw some gloves on. So, you don't think the pandemic is as bad as people

12 are making it out to be?

13 F Well, first of all, it's not as deadly as, uh, the news has made it out to be.

14 D Yeah.

15 F Um, there's a huge number of people that have gotten it and haven't had

16 symptoms or haven't had significant symptoms.

17 D Mm-hmm.

18 F Um, so, no, it s not a big deal at all. It's mostly people that are already sick are

19 the ones that are dying.

20 D Uh, you know what? I will agree with you. That i-, does seem to be what the

21 evidence is saying. People with pre-existing conditions...

22 F Mm-hmm.

23 D ...are definitely more at risk than people without. Everyone always forgets to

24 check the coin pocket.

25 F Ah, yes, the coin pocket. That's where I hide my Beretta.

26 D Not Beretta, but I've pulled out a significant amount of drugs outta that pocket.

27 F Okay.

28 D But again, that I'm not worried about you havin'. You mind lifting your hands up a

29 little bit? The handcuffs set off the machine.
