?F – Unidentified Female
?M – Unidentified Male

D Oh.

R Gosh. Okay. All right. We’re all set. Um, it is recording still, just...

F Hm.

R ...(unintelligible). Um, we’ll just walk you around the corner (unintelligible).

Noise and unintelligible conversation

R Hey. Good.

?F (Unintelligible)

R Good. How are you?

?F Good.

R (Unintelligible). Sorry, I’ll just get past you there, maybe.

D Sure.

R Hey guys.

D Take care.

R Hey. (Unintelligible).

D There you go. There.

R This way.

Short pause

R So, when you arrived, did you have to go into (unintelligible) for like two weeks for Covid? Like, how does that work?

F Yeah, they called it the Induction Unit here.

R Yeah? The what?

F Induction Unit.

R Oh, okay. How was that? (Unintelligible).

1 F (Unintelligible)

2 R Yeah? Do you get like access to like TV and stuff there?

3 F Yeah, every cell...

4 R Yeah?

5 F ...has a TV there.

6 R Oh, that's good.

7 D (Unintelligible)

8 R You got it.

9 D Thank you. (Unintelligible).

10 **Short pause**

11 D Um, (unintelligible) to the laptop, (unintelligible).

12 F That's just got the openSUSE installation (unintelligible).

13 ?M Is he handing out cigarettes?

14 D Uh, no, sorry.

15 ?M Okay.

16 D Sorry, what's on it?

17 F OpenSUSE, it's a version of Linux that, uh, I used to install Linux on the laptop,

18 that's all that's on there.

19 D Okay. Again, I'm g-, just gonna pretend I understand what you're talking about.

20 F It's, uh, it's an operating system.

21 D Yeah.

22 R I was gonna get him to come next door and burn the disc for us...

23 D Right?

24 R ...'cause (unintelligible) show.

25 D Just say, I know how to turn on a computer, I know how to turn off a computer

26 and I know how to go to, uh, websites, all right, watching movie trailers.

27 F (Unintelligible)

28 D Now that movies are back up. Although, maybe not for much longer, the Delta

29 variant's coming out and going crazy. I wouldn't be surprised if we went into a

30 restriction again.

31 F Yep. It hasn't really affected me too much, 'cause I've been in jail. So...

32 D Uh, well, at the beginning, jails were the worst.

1 F Really?

2 D Yeah. Uh, at the very beginning of the pandemic before people understood like

3 how it transmitted and everything, um...

4 **Phone ringing**

5 R Hey. I hate that ringer.

6 D Mm-hmm. (On phone) Hello, Kyle speaking. Hi there. Everything turned out

7 great. It's okay. Um, can I call you back in probably about half an hour? Um,

8 and actually, one second. Is there anything at Belkin House, uh, left there that

9 you need?

10 F That I need right now?

11 D Or that you'll need for court?

12 F Yeah. Yeah. There's stuff in my locker.

13 D Okay. (On phone) Um, I'm just with Patrick right now and he's saying that there's

14 stuff in his locker. Correct me if I'm wrong, but you guys will arrange for that to

15 be transported, uh, to the facility, right? No? Oh, okay.

16 F I'll have to arrange for a friend to pick it up.

17 D Okay. I'll, we can either make arrangement or Patrick said he'll make

18 arrangements.

19 F (Unintelligible)

20 D Okay. Okay. Bye bye.

21 F I was under the impression that they'll arrange for that.

22 D Um, are the keys in here for that locker?

23 F Yeah, those little keys (unintelligible).

24 D The little tiny keys? Yeah.

25 F But, uh, they'll just cut the lock anyway.

26 D Okay.

27 R 'Kay. Okay.

28 D Like these guys here. Do you want us to deal with that or...?

29 R Do you want us to call a friend for you or do you want to call somebody right

30 now?

31 D Are you gonna take care of it?

32 F I'll take care of it.

1 D Okay.

2 F Because if I ask you guys to take care of it, then you might contact him and start
3 harassing him, so...

4 R Oh no that's fair.

5 D We will leave it in your capable hands and it's on recording, so everybody's
6 covered, right?

7 R After today, you think that I would do that? I don't have time for that, Patrick.
8 Come on, man.

9 F You don't have time for dealing with this case either. I mean, there are actually
10 people out there who are actually physically abusing the people that they're with
11 and such.

12 R Yeah, (unintelligible).

13 F People who are actually physically abusing other Canadians. Y-, here, you have
14 two Americans that have this dispute that, why not send me to America and let
15 them deal with it? Oh, right, 'cause it's not a crime there criminal harassment.

16 R Uh.

17 F Or, sorry, most states have similar laws, but a website like this would not be co-,
18 considered criminal harassment. Here it wouldn't be considered that either,
19 but...

20 R Well, it is now.

21 F Then why don't they prosecute me for it?

22 R I don't know. That's beyond my scope.

23 D I think I said last time, we are but the information gatherers.

24 R Yeah.

25 F Right.

26 R It's all good.

27 D Okay, good to go?

28 F Yeah.

29 R All good.

30 D All right. Uh, Nicole's gonna. I'll try and, hopefully these are not locked again.

31 R Let's just test them before I hurt your wrist. All right. I'll take (unintelligible). Uh,
32 do you have a pen? I'm just gonna (unintelligible).

1 D All right, shall we cross the street?

2 R (Unintelligible)

3 D Uh, looks clear. We're good.

4 **Short pause**

5 D Oh, nice. And you want to just follow me, Patrick? Pull. Now, I know you've

6 been searched a couple of times, but we need to search you one more time

7 before putting you in the jail. Do you mind just standing right here for me,

8 please? Oh. Of course I grabbed the small one. Do you mind just facing the

9 wall? (Unintelligible) I do have to take your belt. (Unintelligible) in there. Uh, do

10 you need to hold your belt loop, or...?

11 F My belt loop?

12 D Your belt loop, so your hands don't fall or...

13 F Oh no.

14 D ...are you okay right now? Okay. I'm just gonna put your belt in this bag here.

15 I'll add that on to your Jail 8. (Unintelligible) there. And there. There you go, the

16 magic wand. Now lifting your hands up a little bit?

17 **Short pause**

18 D We're good. All right. Good to escort you to the cell. Oh. (Unintelligible).

19 **Short pause**

20 R 'Kay. Best of luck. I sure really hope we don't have to meet again.

21 F Okay.

22 R (Unintelligible)

23 D Me too.
