Hi Marie,

As with any application for travel document service, PPTC requires a duly completed form, all supplementary info and fees to be paid before issuance is considered. Whether the subject/applicant is cooperative, in the case of deportation/removal, ETD issuance will occur. If you anticipate applicant will not fill out form willingly, then a case worker or deportation officer may do it, provided usual requirements are met. If you anticipate applicant will not sign the form, you may opt to record that applicant does not sign and waive the required signature. As you can see, there are ways to negotiate around an uncooperative applicant in order to satisfy the requirements.

If you have further questions/concerns, please contact us.

Best regards,
Megan
