Good afternoon, Officer Leal,

I have just now received the request for a travel document for Mr. Riess. Unfortunately, I cannot submit the application just yet. We are missing:

Passport Application:

Page 1: date, signed at ad signature field are blank

Page 3: Mr. Riess' occupation for the past 2 years (yes, detained can be listed, along with location of detention and dates)

References. I have no doubt he will refuse to list any, however would it be possible to request that these fields be completed? If he refuses, grateful if you could send us a note to that effect so that we may in turn submit it to Passport Canada's security division. Please note that references must have known the applicant for at least 2 years and cannot be family members

Declaration in lieu of a Guarantor:

Application is missing. Please submit the form (enclosed). Occupation and residency fields require information for the past 5 years, and references must be different than those listed in the passport application. You will be signing as the official.

Passport photo:

We require your signature at the back of one of the passport photos.

Proof of Canadian citizenship:

I note the scanned copy of Mr. Riess' Ontario birth certificate. Is the original in ICE's possession? If so, would it be possible to send it to us for submission to Passport Canada?

Money Order:

Money order made out to the Consulate General of Canada - \$31 US

As discussed previously, we will wait until the file has been examined by Passport Canada to request the itinerary, which will be the last thing we need to meet the requirements for issuance of the ETD.

Would you like for me to return this application or would you like to have him complete a new one?

Many thanks,

Marie
