Re: Complaint against LSS referred/funded lawyer,
Chester Bridal;
LSS Case No.: SR 003 267 161

Dear Sir/Ms:

I wish to lodge a formal complaint against Chester Bridal, who represented me briefly from March 2020 to May 2020, on a number of matters. Mr. Bridal was referred to me by LSS and was funded by LSS under the referenced LSS case number.

The relevant background information can be found in my LSS file, but of particular interest should be my letter dated 2020-05-30. That letter includes a list of the factors

contributing to my termination of Mr. Bridal's representation.

Further to the host of issues I detailed in my 2020-05-30 letter, what I am complaining about, specifically, at this time, is Mr. Bridal's continued refusal to return my original document as I have repeatedly requested of him (see item 9 in my 2020-05-30 letter).

On 2020-04-03 I sent Mr. Bridal a letter and included the document with that letter. On the second page of that letter I stated:

And finally, with respect to the enclosed document, I ask that you please make a copy for your records and return the original to me at your earliest opportunity. I received absolutely no response from Mr. Bridal.

Then, on 2020-05-22, having still not heard anything from Mr. Bridal regarding the document, I sent him another letter, stating:

On 2020-04-03 I sent you a letter accompanied by a 13 page document detailing what I believe is the court's significant error of law regarding the immigration laws and the burdens of proof at a port of entry. On the last paragraph, of the second page of my letter, I asked you to please make a copy of that 13 page document and return the original to me at your earliest opportunity.

It has now been a month and a half and you have still not returned the document to me. So, at this point, I must insist that you return my document to me immediately.

Again, I received absolutely no response from Mr. Bridal.

It has now been almost four months and I have not heard anything from Mr. Bridal regarding my document or it's return. I find that completely unacceptable!

If you wish, I have a copy of all of my correspondence with Mr. Bridal over the past few months, and I am happy to provide it to you if it will help.

I thank you for your assistance.

Sincerely,

Patrick Fox
