Dear Mr. Fox:

**Re: A&I Department File # 106542 - Complaint regarding Chester Bridal
Your Legal Aid Contract # R030209987**

Legal Aid BC operates an Audit and Investigation Department that has the responsibility, among others, of investigating complaints about the private bar lawyers with whom we contract to represent legal aid clients. I am the staff lawyer who deals with these complaints.

We confirm receipt of your complaint letter dated July 22, 2020. We have contacted Mr. Bridal and have asked him to respond to our inquiry as to where your document is (please see attached).

We advise that we found a document regarding your appeal in our file management system, which we enclose and may be the one that was not returned to you.

Once we hear from Mr. Bridal, we will be in contact with you.

Yours truly,

A handwritten signature in black ink that reads "Gayle Myers".
