Please explain how we can help you in the text box below. You don't need to repeat any of the information you included in the fields above.
On 2023-11-16, I submitted an Application for A Search of Citizenship Records (application #: SR00010791).

It has now been more than one year and I've received no response or update on it. Also, there have been no updates or activity shown on the Government of Canada website.

Prior to submitting the application, I was told by IRCC Agent #5653, Olufemi, that in order to obtain proof I am NOT a Canadian citizen I would have to apply for a Search of Citizenship Records and that that could take up to 15 months. So I applied for it, and I've now been sitting in limbo for 12 months. I have the emails from Agent #5653, Olufemi, if you would like to see them.

May you please inform me of the status of this application? And possibly provide some idea of how much longer this may take?

Thank you.

Enquiry:

On 2024-04-08, I received an email from you requesting the following additional information:

Full Name: Patrick Henry Fox (previous name: Richard Steven Riess)

UCI Number: 6002-8504

Application Number: SR00010791

Country of Birth: United States of America

Type of Application: SEARCH OF CITIZENSHIP RECORDS

Date of Application: 2023-11-17

Mailing method: electronic (to [REDACTED] gmail.com)

Complete Address where the application was sent: electronically (from IRCC website)

Receipt Number: O720652196

Current Address: Homeless/NFA

Telephone Number: 236- [REDACTED]

Email Address: [REDACTED] gmail.com

All documents submitted with previous request: None

The purpose of this communication is to inform you, with respect to my application, the only identification documents I currently possess are a BC driver's license and a Florida birth certificate. I understand a birth certificate is not an acceptable piece of ID, however it is all I have because I have no status in Canada and I was in jail here for most of 2016 through 2023. Your records (FOSS and GCMS) correctly state I was born in the US, but the citizenship field is blank. I am not making any claim of being a Canadian citizen; I do not want Canadian citizenship; I am not trying to trap you guys into saying something I can use against you; I just need a clear declaration that I am not a Canadian citizen so that IRCC and CBSA will stop allowing other countries to deport me here.

Thank you.
